Dear Sir:

In response to the examiner's office action of January 24, 2003, where the examiner required restriction, it is first requested that the application be amended as follows:

In the Claims:

Amend claims 13 and 17 – 22 as follows:

13. (Amended) An originating terminal as claimed in claim 12 which further comprises a user interface arranged to allow a user to select said computer software code.

(i) A destination terminal comprising:-
